

### **Neuadd Bentref Rhiwlas**

Mae'r neuadd bentref wedi ennill cymhorthdal sylweddol ar gyfer gosod paneli solar ar yr adeilad. Bydd hyn yn gymorth i gadw'r costau llogi yn rhesymol i'r cyhoedd.

Bwriad Menai Heating ydy rhoi sgaffald fyny ar ochr ddeheuol yr adeilad a'r gwaith hwnnw i gymryd lle tua 23-24/04/2024.

Bydd y paneli solar a'r gwaith trydanol yn cymryd lle rhwng 25/04/2024 ac 01/05/2024. Ond, gall yr amserlen newid yn dibynnu ar y tywydd.

Mae'r cwmni wedi cael cais i barcio eu cerbydau'n gyfrifol a bod yn ymwybodol o anghenion perswylwyr cyfagos.

Diolch.

### **Rhiwlas Village Hall**

The village hall has been awarded a substantial grant to fit solar panels on the building. This will help keep hiring costs at a reasonable level to the public.

Menai Heating's intention is to erect a scaffold on the southern side of the building and this work to commence around 23-24/04/2024.

Fitting the solar panels and the electrical work will take place between 25/04/2024 and 01/05/2024. However, the timetable may be influenced by weather conditions.

The company has been requested to park their vehicles responsibly and to be aware of the needs of nearby residents.

Thank you.
