

Hello,

Lightsource bp are undertaking a pre-application consultation in respect of a full planning application for the development of a Proposed Energy Storage facility, related access, landscaping, infrastructure and ancillary equipment, with a grid connection import and export capacity of 57MWac at [Land to the West of Pentir Substation](#), Pentir.

The statutory 28-day pre-application consultation is starting on 2 May 2024 and running until 4 June 2024.

Further details about the project can be found in the [newsletter \(click\)](#), and on the draft planning documents which can be accessed on the project website: <https://lightsourcebp.com/project/pentir-energy-storage-project/>.

You can give your feedback by completing the consultation form at: <https://re-url.uk/WIRU>, by writing to Freepost GRASSHOPPER CONSULT (no stamp or further address required); or emailing: pentirenergystorageproject@lightsourcebp.com

All comments received during the consultation will be taken into consideration before we finalise and submit the planning application to Cyngor Gwynedd for determination.

Please ensure you provide feedback by Tuesday 4 June 2024.

Kind regards

Katy McGuinness
Head of Environmental Planning, Northern Europe
